**ANSWER:**

When it rains heavily, we can sometimes see lightning.

## **5 MARK QUESTIONS**

### **1. How do you feel when it rains?**

#### **ANSWER:**

When it rains, I feel happy. I enjoy the scent of rain just before it begins to fall, and the sound of it is relaxing. It's a good night's sleep weather. When the rain washes everything clean, it's so lovely.

### **2. What happens when it rains?**

#### **ANSWER:**

When it rains, the air becomes cooler, the trees are cleansed by the rain and appear greener, and a cool breeze blows. Floods and waterlogging can occur when it rains excessively.

### **3. Have you had any problems during the rain? Have you seen anyone else having any problems due to the rain? Draw a picture of your experience in the rain.**

#### **ANSWER:**

Yes, I had numerous issues during the rainy season, such as being unable to attend school due to waterlogging in my neighborhood. Yes, I've observed other people who have had problems as a result of the rain. Due to excessive rain in the previous season, the roof of my neighbor's house began to leak. As a result, they encountered a slew of issues.

1. Drooping
2. Strong and healthy
3. Covered in fruit
4. Tall and straight

**Ans: 2. Covered in fruit**

## SUMMARY

get water from the rain. Our farmers depend a lot on rainwater to harvest their crops. When water evaporates due to heat, clouds are formed and when they condense, water falls from them on the earth which we call rain. This cycle continues and is known as the rain cycle or water cycle.
