Look at the calendar and fill the table.

Months	Number of days
January, March, May, July, August, October, December	31
February	28
April, June, September, November	30

A. Why do we use a calendar?

Ans: : we use calendar to see date, days, weeks, months and years.

B. Does February have the same number of days in every year? Discuss.

Ans: No, in leap year there are 29 days in February which comes after every four year.

C. How many days are there in a week? days. **7days**

D. In the calendar given on the previous page how many Sundays are there in the month of April? Sundays. **5**

E. Which months have 5 Sundays? **January , April, July , October, December .**

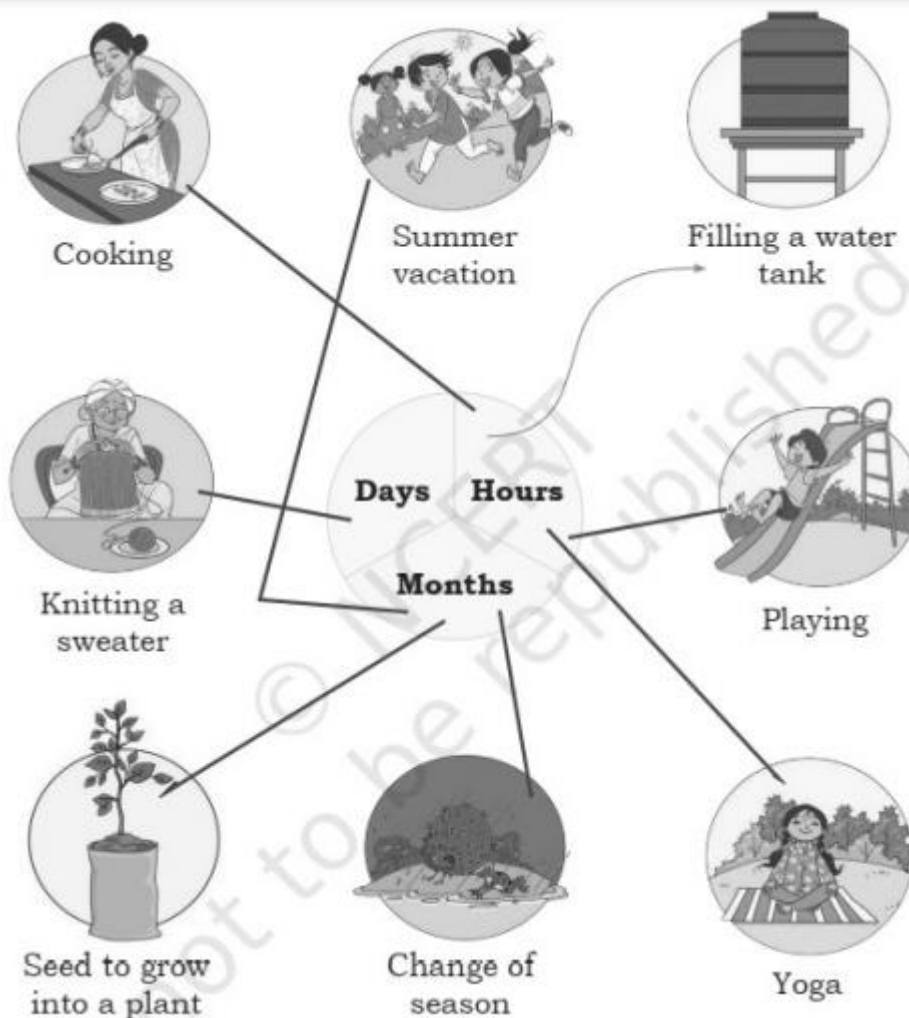

F. Summer vacations are in the months of **May** and **June**.

G. Winter vacations are in the months of **November** and **February**.

H. find the total number of days in April and March. **30days + 31days = 61days**

How Long Does it Take?

Match the activity with the duration of time it requires to get completed.

A. Why did the family plan a trip? To which place did they go for the trip? What did you like about their trip?

Ans: Family planned a trip to attend Mamaji's wedding at Vijayawada. The family travelled by train and enjoyed very much during their journey.

B. On which day did they begin their journey? When did they come back? How long was their trip?

Ans :They begin their journey on 24th November morning and returned on 28th November night. Their trip was 5 days long.

C. Which places did they visit in their trip?

Ans: They visited Manglagiri hills and Kaanapali fort in their trip.

D. How long was their day trip in:

i. Manglagiri hills **6** hours

ii. Kondapalli fort **8** hours

When did they come back from there? **5 p.m.**

E. For how many hours were they in the train when going from

i. Visakhapatnam to Vijayawada **8:25 am to 2:15 pm. - 5 hours 50 minutes**

ii. Vijayawada to Visakhapatnam **7:00 pm. to 11:30 pm. - 4 hours 30 minutes**

Which among the two journey took longer?

Ans: Journey from Visakhapatnam to Vijayawada took longer

F. Have you been on a trip recently? What do you enjoy most about trips?

Ans: We have been on a trip from Delhi to Mumbai by Vande Bharat train. I enjoyed the super fast Vande Bharat train.

Gargi's Day

Let us see what Gargi does in a day. Write down the time for each picture.

A. At what time does she wake up?

6'O clock

B. When does she go to school?

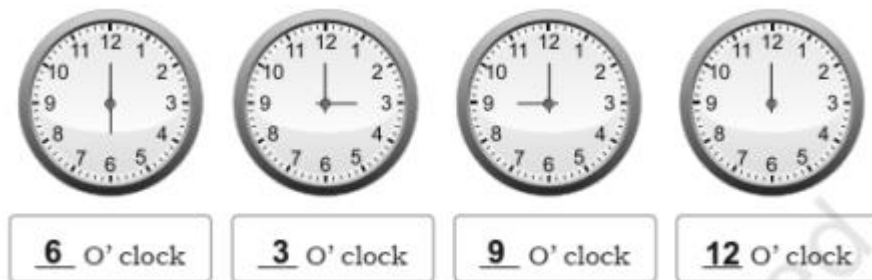

8'O clock

C. At what time does she have her lunch?

2'O clock

Let us Do

A. Read the time on the clock.

B. Draw hour hand and minute hand on the clock.

3 O' clock

11 O' clock

4 O' clock

9 O' clock

12 O' clock

6 O' clock

C. When do you do the activities shown below? Mark them on the clock by drawing the hour hand and the minute hand.

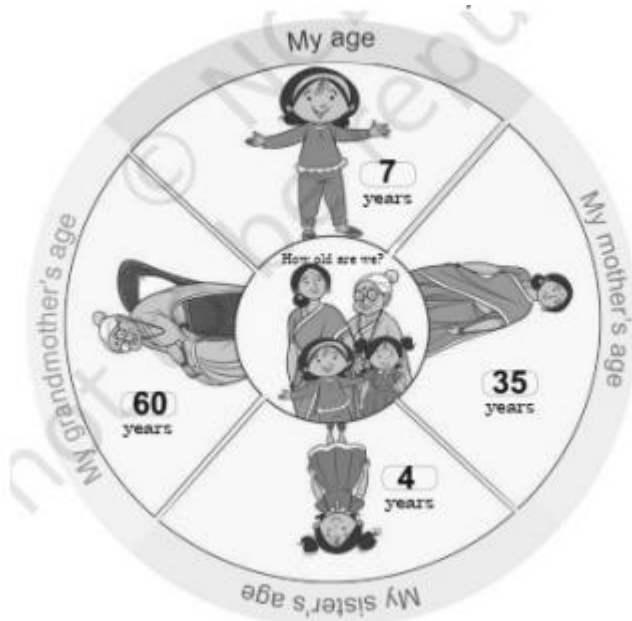

Study

Play

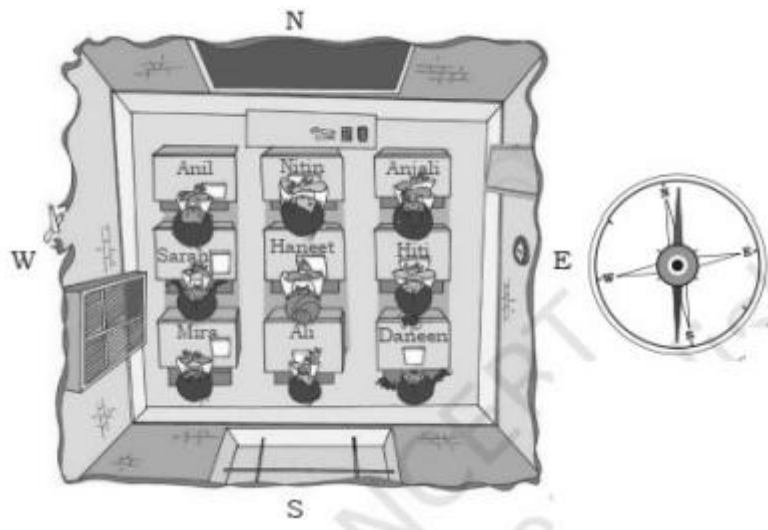

Lunch

Knowing Direction

Let us Do

Look at the classroom below and answer the questions by using the words north, south, east and west (refer to the compass)

- A. Haneet's desk is to the **East** of Sarah's desk.
- B. Almirah is to the **West** of Ali's desk.
- C. To reach the blackboard, Mira must walk towards **North** and then **East**.
- D. To feed the birds on the window, Nitin has to walk **West or East** and then **South**.
